RE: Declaration of Civil Preparedness Emergency

Dear Secretary Merrill:

Due to the severe weather conditions predicted to affect the State, specifically the National Weather Service issuance of forecasts indicating that all or part of Connecticut will be directly affected by a combined tropical and winter super storm, including torrential rainfall, strong winds, and potential coastal and inland flooding over a prolonged period of time; I am hereby proclaiming a state of civil preparedness emergency, pursuant to Connecticut General Statutes Section 28-9.

I am filing this proclamation with you under my hand and seal on this 27th day of October, 2012.
